

# Peter Pan ~ Swim Policy & Permission Form

Swim Program starts Mon. May 30 and ends Fri. Aug. 11, 2023

All children 3 years and older (and potty trained) are offered a daily half hour swim lesson. Our staff to child ratio in the swimming pool is 3 staff per class of 10 or less. The classroom teacher and a member of our swim staff are stationed in the pool working with the children, while another swim staff member supervises from the pool deck. There is at least one staff member who is lifeguard, first aide, and cpr certified in the pool area at all times.

Peter Pan's swim program provides swim instruction that emphasizes water safety and correct swim techniques. We create a fun learning environment in our warm heated pool, so children can develop swim skills with confidence. Children are able to acquire skills quickly and accurately, with our high staff to student ratio and frequent exposure to the water. Beginning swimmers work on basic skills while becoming confident and relaxed in the water and our more experienced swimmers work on leveled swim skills.

**Children develop water safety and swim techniques ~ a skill they can use for a lifetime.**

Children receive swim certificates throughout the summer to acknowledge their effort and progress. Our swim certificates are leveled by ability and include:

Starfish ✧ Angelfish ✧ Seals ✧ Dolphins ✧ Sharks

Each child is charged a swim fee to cover the expenses of running this program. Your total summer swim fee and permission slip are due on or before Friday, June 3. To simplify our bookkeeping, we prefer that all fees are paid with submission of this permission slip. If necessary, swim fees may be paid weekly by making arrangements through our accountant, Ms. Elaine. You can email her at [ppaccountant@preschools.net](mailto:ppaccountant@preschools.net). No credits or refunds will be given for missed swim days, other than vacations scheduled prior to the start of camp.

If you will be on vacation during any weeks of our summer program, please list the dates below and you will not be charged for swimming on those weeks. Please deduct the weekly fee for any vacation weeks from the summer total.

My child will be on vacation the week(s) of: \_\_\_\_\_.

**Swim Fees for 10 Weeks**  
2023 Rates - Pending

**ALL CHILDREN MUST HAVE THIS FORM SUBMITTED TO PARTICIPATE IN SWIMMING.**

I authorize my child to participate in daily swim lessons at Peter Pan Day School.
